Last updated June 4, 2006

This list is in no way a complete listing of the Celtic talent that has graced the stages of the North Texas Irish Festival. The list was compiled from old Festival programs and posters, but some years are missing in the SCMA archives. We apologize for any mistakes or omissions and will gladly make corrections as we learn about them.

The North Texas Irish Festival is a production of the Southwest Celtic Music Association. All Festival rights are reserved by the SCMA.
